

Côtes du Ventoux Rouge

Cuvée "Persia"

Domaine: Domaine de Fondrèche

Producer: Sébastien Vincenti <http://www.fondreche.com>

Cuvée: Cuvée "Persia"

Vintage: 2006

Variety: 90% Syrah 10% Mourvèdre

Country: France

Region: Rhône Valley

Background

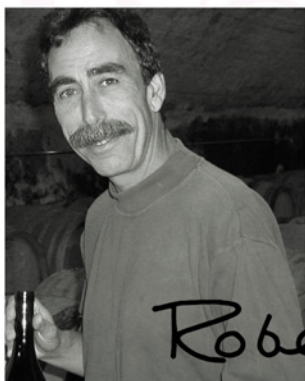

We have worked with Young Sébastien Vincenti for over 15 years now. Bobby first met him while Sébastien worked for André Brunel in Châteauneuf-du-Pape. The core of this wine is from the 50 acres under vine at Domaine de Fondrèche located in the Ventoux. Sébastien has become a super-star in the Ventoux and is by anyone's standards the top producer in the appellation.

"Persia" is a wine made from 30-40 year-old Syrah vines with a splash of Mourvèdre. The wine is aged completely in barrels, varying from 300 liters to 228 liters. Persia requires 2-3 years aging from its release and can be kept for more than a decade. The wine is inky and displays brawny black fruit and earth with tremendous depth, complexity and length. Only about 800 cases are ever made.
